

NEWSLETTER-1

to the appointed National Commissioners

Budapest, 12 February 2021

Dear Friends in Philately,

We received many commissioner applications from national federations for our HUNFILEX 2022 FIP Specialised World Stamp Exhibition, which we are very happy about, as it strengthens our opinion that Budapest is an attractive place.

In the coming weeks our representative will still be discussing the missing data and photos with everyone.

However, in order to be able to carry out the exhibition as planned, it is necessary for the appointed commissioners to start the organizing work for their respective countries.

Please find attached the Special Regulations of the exhibition (IREX) containing all relevant information, among them the exhibition classes, the frame fees and the application deadline, which we would like to emphasize again: June 30, 2021.

Attached to this letter is the Application Form in two manifestations, an Excel file and a .pdf file. Please chose the one you like better. The entry form must be typed and sent electronically only, what is very important, that they should be sent before the above deadline.

Please note that a different application form is available for literature materials (also both in Excel and .pdf format).

HUNFILA 2022 already has a website which can be found at

www.hunfilex2022.com

We try to enhance the website with new information week by week, please keep an eye on it.

Do not hesitate to contact me or the secretary of the organizing committee, Vivien Szieber (her contact data are available on the website) with any questions that you may have.

Yours faithfully,

Géza Homonnay dr. FRPSL
Commissioner General of HUNFILEX 2022
